If you have been looking for a lifestyle change or wanting to relocate to Tasmania and require an income, then this could well suit.

This business is a brilliant financial choice, with a high return on investment. This country town is in the midst of an economic boom, with more developments in the pipeline, The recently installed mountain bike tracks are proving very popular, the vineyards, penguin colonies, historical lighthouse and natural-beauty of the area draw tourists all year round.

Plenty of upside to be had, turnover in excess of \$1m, with a marketing strategy and by continuing the tradition of quality takeaway food, the sky is the limit. This business has the advantage of little or no competition from the likes of multi-national food outlets (McDonald's etc).
