

HIGHLY PROFITABLE JESSUPS SOLAR SQUAD & HEAT PUMPS BY EO1

A household name in Launceston, only two owners since 1939, specialising in the sale, installation and servicing of solar systems and heat pumps.

Highly regarded, well established market leader in a growing recession resistant industry sector, with four major departments Residential Solar Systems, Commercial Solar Systems. Off Grid Solar Systems and Reverse Cycle Heat Pumps/Air conditioning.

Selling leading brands such as Dakin and Haier heat pumps, Suntech solar panels, SMA inverters, plus Quantum AAE & Sandon hot water.

With a consistent multi million \$ turnover annually, in a growing market, showing a increasingly attractive bottom line.

One owner operated, backed up by a small long serving knowledgeable team, assisted by sub-contractors.

Highly recognizable branded business, regular television exposure, prominent corner position and branded vehicles.

Well organised with systems and procedures in place, up to date office and computer equipment.

Professional comprehensive web site, face book page and high performance Goggle engine search results.

If you are looking for an established business showing an excellent ROI,
