## 1 The Esplanade, Naracoopa

### PARADISE FOUND WHERE DREAMS ARE MADE AND LIVED EXTRAORDINARY UNIQUE LOCATION

You will never find another property like this, it is totally awe inspiring, showcasing nature at its best. This is where artists, novelists, dreamers, people who are happy within themselves by themselves would wish to abide. It combines a rural setting with an ocean vista. The spring fed creek beside the home, runs all year. I fell in love with this property when I first inspected it, approx 75 acres with 1km of ocean frontage. So hard to find tucked under the cliffs in a glen, in a protected glen, with cliffs rising steeply behind the residence. Pristine ocean views, and a beautiful rural back drop, no close neighbours, you could be a million miles away on your own deserted island. Have a rural lifestyle, run some cattle, grow your own produce, in the volcanic deep red soils or in the hothouses, run some poultry in the chook house. Watch the sun come up, go down to the beach or wharf and catch your evening meal. This property is an ideal residence or an income producing opportunity, by letting out the 3 cabins, operating the 100 seat restaurant as often or as little as you may desire, supplemented your income from veal production. Become self sufficient, with your own meat, vegies, wild life and fish. A residence with distinctive European features, style, character views. Comprising pasture, huge stands of tea trees, plenty of dams, running water. The home has 4 bedrooms, 2 lounge rooms, one with a mezzanine floor, the restaurant can comfortably seat one hundred guests, complimented by male and female toilets and a commercial kitchen current food and liquor licenses. Solar panels. If you have been
